**Twenty-Sixth Week of Ordinary Time**

Following on from last week (“You cannot be the slave of both God and money”) we see a practical illustration of what this means. The division between rich and poor was very striking at the time of Jesus: popular understanding, however, said that to be rich was a blessing from God.

Jesus reminds people that riches carry their own responsibility - the duty to notice the poor man, especially when he lies at your own gate. In this parable, Jesus is subtly attacking the people’s lack of acceptance of the teaching of the prophets - “They have Moses and the prophets...”, but they obviously haven’t listened to them. The twist in the last line is powerful: “...they will not be convinced even if someone should rise from the dead.” Since our world still sees a division between rich and poor, how true those words have become!

**Marriage Matters**

**Beware of complacency and compensating:** Today we are warned about being complacent. Too often, we think everything is fine in our lives and then we realise we’ve drifted apart and feel isolated from our spouse; the atmosphere is strained; it is lonely in bed. The danger is to compensate with activities outside our marriage instead of sitting down, holding hands and getting back together again.

**Think Vocation**

“You must aim to be saintly and religious, filled with faith and love.” The standards asked by the Church these days of applicants to the priesthood are very high. This is fitting because it is a great privilege to be ordained and to minister as a priest. However, Our Lord Jesus can sanctify an ordinary man he has called and chosen for priesthood and fill him with the graces needed.

**CAFOD Harvest Fast Day:** Friday 4 October is CAFOD Fast Day. Every day, millions of people are affected by long walks to safe water. Not only is it time consuming and exhausting, but it can be dangerous. Gathering water so crucial for life and without it Fabiano's mum might not be able to plant crops in time for harvest and therefore the whole family will go hungry. Because of its necessity, Fabiano and his friends risk missing school because they're late back from the pump. No one should be beyond reach of the love and support they need to thrive. This Fast Day, CAFOD invites us to fast, pray and give, so we can extend the hand of friendship to the world's poorest people. Fabiano's village in rural Uganda has been devastated by drought. Every day, children would trek miles for water, risking their education - and safety. Donations from parishioners across England and Wales helped install a solar powered water pump in the village. Now Fabiano and his friends can collect water quickly and safely. On Family Fast Day, CAFOD invites us to eat a simple meal for lunch or dinner and give the money we save to help children like Fabiano. Please collect a Fast Day envelope from church this week and give generously. *Thank you*

**Coffee Morning:** The next Coffee Morning will be held on Friday 4 October at 10am in the Patmos Room at St John's. Funds raised will go towards Altar flowers for both our churches. Please come along and join us. Everyone always welcome!

**Parish Trip to Wardley Hall:** Sunday 27 October 2019 (1.30pm). There is a list at the back of each church for those wishing to attend, and a separate list for those who can offer transport.

Supported by the Bible Society, there will be many national and local events throughout the year. In our own diocese several initiatives are planned to highlight the Bible's importance for our lives and our worship. Look in the usual places - parish newsletters and the diocesan website - for the many events that will help us celebrate the 'God Who Speaks.'

**Novena with Newman:** All over the world, people are preparing to celebrate the canonisation of Blessed John Henry Newman on Sunday 13 October. This is a time of special grace for us to join together and form links in a great chain of prayer, where we call upon the soon-to-be-Saint to crown our prayers with his intercession in heaven. You can form links in that chain by joining in our Novena with Newman - nine days of prayerful preparation for the canonisation, starting on Friday 4 October and finishing on Saturday 12 October on the eve of the canonisation. # Corpus Christi Parish Property Group Update - Autumn 2019

Our Parish has responsibility for the upkeep of six buildings comprising the churches and presbyteries at St Brendan's, St Columba's and St Johns. These buildings represent our greatest assets in monetary terms but also our most costly liabilities if not managed and maintained, since the responsibility of their upkeep lies with Corpus Christi Parish.

A team of parishioners work to oversee the management & maintenance of our properties, including Health & Fire Safety aspects, to ensure that all our properties and services are safe, accessible and comply with lawful requirements. The team work closely with the Parish Finance Committee to inform future financial planning so that, as far as possible, the Parish can avoid unexpected expenditure.

All our buildings have now been professionally surveyed:-

- to assess their condition,
- to identify, cost and prioritise necessary repairs
- to ensure compliance with Health & Safety and Fire Safety legislation
- to plan future maintenance requirements

To date, the electrical installations at both St John's and St Brendan's have been tested & modernised and the audio systems have been upgraded.

Work is ongoing to ensure that both churches comply with Fire Safety law. Improved procedures and signage are in place at St Brendan's and St. John's will soon have its fire risk assessment carried out. Emergency lighting will need to be fitted at both churches in due course.

St Brendan's has been inspected by the Diocesan H&S Co-ordinator, which resulted in several recommendations. Work is ongoing to address the issues raised; for example, the glazing in the narthex at the rear of the church has been strengthened with glass safety film to reduce the chance of breakage.

## MOVING FORWARD

### St Brendan's Church

Fire Safety issues identified in the Narthex at St Brendan's will result in the removal of all 'trip & fall' and fire safety hazards. Parishioners are requested to comply with the Fire Safety plan by not bringing items such as chairs into the Narthex. This measure is essential to ensure that the area remains free of obstacles so that, in the event of an emergency, a safe, clear exit route exists through the Narthex. Our apparitors and Piety Stall & Fairtrade volunteers continue to work to make St Brendan's a safe and welcoming space for all visitors. We would take this opportunity to thank them for all their hard work and their support in implementing the required changes.

Following consultation, the front benches on the 'font' side of St Brendan's Church will be re-configured to provide a dedicated space for wheelchairs users. A rear bench will be removed to provide space for prams. Parishioners are asked to make use of these spaces as required once they become available.

We know that most of you will understand the need for these alterations to the Church and will support their implementation. Please don't be the exception.

### St John's Church

St John's did benefit from works to upgrade the Patmos Room in 2016 and Health & Safety and Fire Safety Risk Assessments are required which will be carried out during autumn in order to identify any required works.

We will give another update in the first quarter of 2020 to parishioners. If you have any queries or would like to get involved with the work of the Property Group, please email the Parish Office or speak to a member of the Property Team - Fr David, Mary Cropper, John Finlay, Catherine Grundy, Lisa Lamoury or Tony Proctor

**Newsletter: Please note, the newsletter for next weekend will be produced on Wednesday not Thursday. Therefore, please send any items into the office before 12noon on Wednesday. Many thanks.**
